

SHEEPSAVE

- MOBILE APP ON BOTH IOS AND ANDROID
- GENRE: ADVENTURE , ACTION
- AGE: 4+

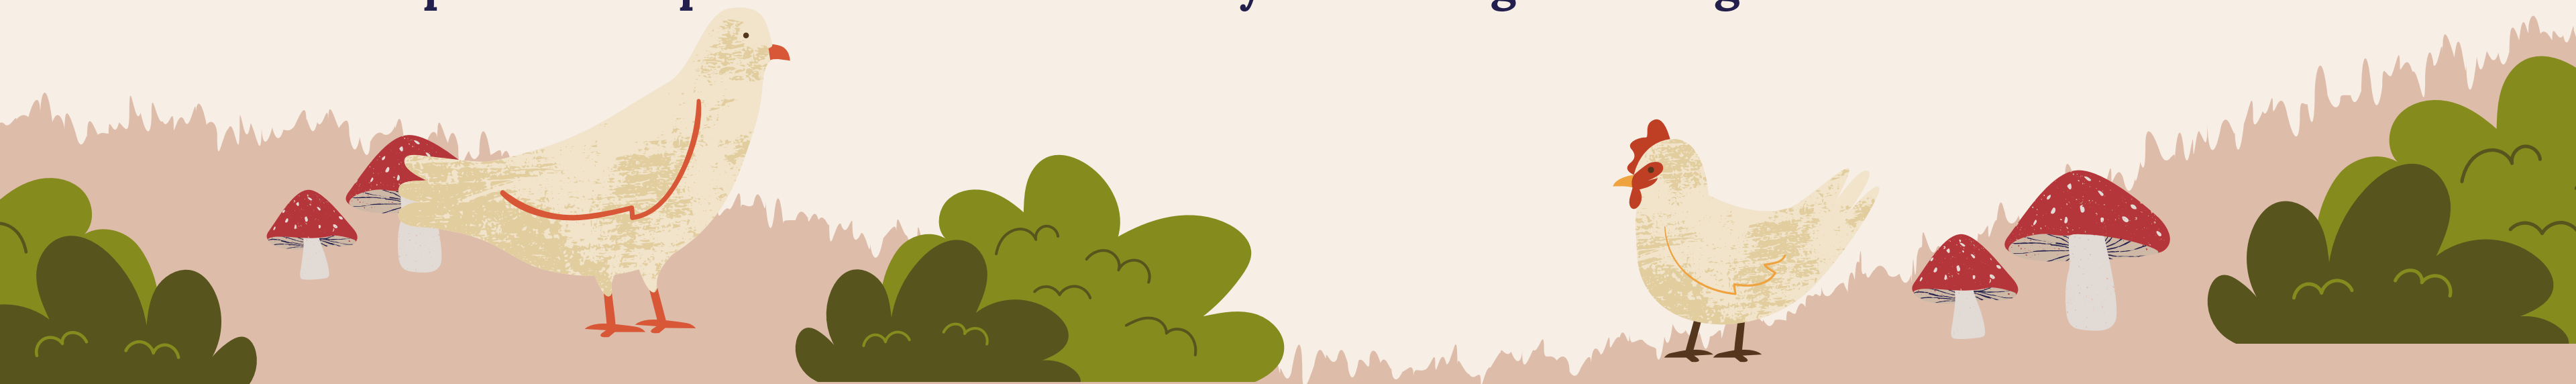

STORYLINE

The game is a single player game about Bob the sheep who is running from Wolfie the wolf, he has to find his way back to his herd safely. Help Bob escape a series of hardships such as:

- Wolfie the wolf chasing him
- Eagles trying to grab him
- The final level is Bob trying to find his sheep family in the herd.

This game helps the player understand the importance of family and sticking together. While the game teaches the value of family and sticking together, it does so through laughter and lightheartedness. It's a reminder that even in the face of adversity, a little humor can go a long way. So get ready to baa-ttle for your herd, one hilarious mishap at a time! Bob's Baffling Blitz is the slapstick sheep adventure that'll leave you bleating with laughter!

APPERANCE

The background is a light beige color. At the top, there are two large, white, stylized clouds. Below the clouds, there are several brown birds in flight, some facing left and some facing right. At the bottom of the image, there is a row of green grass blades. The word "LINK" is written in a bold, dark blue, sans-serif font, centered at the top of the image.
