A TRIVIA AND
CHALLENGE-BASED GAME
FOR VIDEO GAME LOVERS!

BUBBLE UP!

BUBBLE UP!

Game Overview

Players: 2 to 6 (recommended)

Objective: Build the tallest tower of **magnetic spheres** by answering questions and completing challenges, while avoiding knocking the tower down!

Ages: 18 - 26

Setup

1. Place the **magnetic spheres** in the center, but do not take them out of the bag.
2. Separate the cards by **colors** (categories).
3. Get ready to **play!**

How to Play?

> Players take turns drawing a **random sphere from the bag without peeking**, selecting a color by chance. Then, they pick up a card that matches the color of the sphere they drew.

> If they **answer correctly** or **complete the challenge**, they take an additional magnetic sphere.

> If they **fail**, they **keep a single sphere**

> The game **ends when the cards run out**.

> The players build a tower of 5 spheres per “floor” with their respective spheres. The player with the tallest tower is considered the **winner**.
